

# Anne S. Reiner

## Senior Research Biostatistician

### CONTACT

**Phone:** 646-888-8293

**Address:** 633 Third Avenue, 3<sup>rd</sup> Floor, NY, NY 10017

**Email:** reinera at mskcc dot org

---

### EDUCATION

#### **Yale University | 2005–2007**

Master of Public Health in Biostatistics

- Dean's Prize for Outstanding MPH Thesis:  
*An Analysis of U.S. Female and Male Breast Cancer*

#### **Furman University | 2001–2005**

Bachelor of Science in Mathematics

---

### PROFESSIONAL EXPERIENCE

#### **Senior Research Biostatistician | 2017–Present**

Memorial Sloan Kettering Cancer Center

- Leads population-based, epidemiologic research
- Collaborates with biostatisticians and physicians on clinical studies in neuro-oncology and neurosurgery
- Co-coordinator for randomized protocols
- Grant writing
- JNCI and JNCI Cancer Spectrum Editorial Board member

#### **Research Biostatistician II | 2013–2017**

Memorial Sloan Kettering Cancer Center

- Collaborated on population-based, epidemiologic research
- Collaborated with biostatisticians and physicians on clinical studies
- Co-coordinator for randomized protocols
- Grant writing
- Reviewer for multiple journals in the cancer research community

#### **Research Biostatistician | 2009–2013**

Memorial Sloan Kettering Cancer Center

- Collaborated on population-based, epidemiologic research
- Collaborated with biostatisticians and physicians on clinical studies
- Co-coordinator for randomized protocols
- Biostatistics representative for Surgery Protocol Review Committee

#### **Assistant Research Biostatistician | 2007–2009**

Memorial Sloan Kettering Cancer Center

- Collaborated on population-based, epidemiologic research
- Collaborated with biostatisticians and physicians on clinical studies
- Co-coordinator for randomized protocols

# Anne S. Reiner

Senior Research Biostatistician

## PROFESSIONAL EXPERIENCE

### Research Assistant | 2006–2007

Connecticut Breast Study

- Processed patient data and digitized mammograms
- Maintained and archived study and patient information

### Teaching Fellowship | 2006

Yale School of Public Health Biostatistics Department

- Prepared lesson plans for SAS lab section of Introduction to Biostatistics course
- Taught SAS and biostatistics material to Yale MPH students

### Cancer Research Training Award (CRTA) Fellowship | 2006

National Cancer Institute (NCI) Division of Cancer

Epidemiology/Biostatistics Branch

- Contributed to population-based study development, data analysis, and interpretation for a manuscript
-
